NEW FEATURES ADDED TO DOMAINWEB
Effective December 18, 2014

■ **Updated Security**
The screen "captcha" has been updated to provide audio as well as visual prompts. Security has been enhanced to prevent access by bots and malware.

■ **Account Tab**
The Account tab will now display a history of documents purchased including Purchase Date, Confirmation number, Amount Paid, Order number, Type (of document) and View of a listing of documents related to each Order number.

■ **Site Design**
Links and pages have been consolidated and a new FAQs has been added.
